Subject: CAPspace: New Collaborations Nov 25, 2009

The following collaborations were recently created in the Collaborations Around the Planet website. Please click the collaboration link to get more details about the project and contact the collaboration creator to participate.

Do not reply to this message. If you have further questions, please reply to the creator of the collaboration by following the link to their collaboration.

Title: 4th grade Video Conference PenPals:  
Status: Open  
URL: <http://projects.twice.cc/?l=collaboration&id=545>  
Connections: H.323  
Grades: 4  
Subjects: Elementary All Subjects, Technology/Information Science  
Dates: From the first meeting in January until June  
Description: We are a school in New Jersey looking for year long video conference PenPals. The hope is that the two classes meet every 4–6 weeks to share information on a previously determined topic.

Our 4th graders here are currently transitioning into topics such as biographies, the human body, the Civil War, and more but would love to here some of your ideas.

Title: 3rd Grade Video Conference Pen Pals:  
Status: Open  
URL: <http://projects.twice.cc/?l=collaboration&id=546>  
Connections: H.323  
Grades: 3  
Subjects: Elementary All Subjects, Technology/Information Science  
Dates: From the first meeting in January until June  
Description: We are a school in New Jersey looking for year long video conference PenPals. The hope is that the two classes meet every 4–6 weeks to share information on a previously determined topic.

Our 3rd graders love meeting other students to both compare similiar projects and teach other about new topics.

Title: Elementary Spanish Video Conference:  
Status: Open  
URL: <http://projects.twice.cc/?l=collaboration&id=547>  
Connections: H.323  
Grades: 4

Subjects: World Language

Dates: Hopefully sometime in February

Description: We are looking for four 4th grade classes that would like to meet our 4th grade students here in New Jersey. The students would like to share elementary Spanish conversation.

Our original idea is that each students would get to introduce themselves in 2-3 sentences and then small groups or pairs would share information about a Spanish country they had been studying (colors of the flag, the capital, etc)  
BUT, we are open to new ideas.

Title: Artifact Box:

Status: Open

URL: <http://projects.twice.cc/?l=collaboration&id=548>

Connections: H.323

Grades: PreK, K, 1, 2, 3, 4, 5

Subjects: Elementary All Subjects, Family & Consumer Science, Language Arts/English, Social Studies/History, Technology/Information Science, World Language

Dates: Open EST

Description: We are looking for another class any grade PK-5 that is willing to share an artifact box with us. We would exchange a box/envelope filled with clues as to where our school is located. Your class would have to identify the city/state we are in. We would get your artifact box and identify the city/state your class is in.

We would meet via videoconference after both classes have discovered the locations.

We are located in Pennsylvania so it would be nice to have someone in another area.
